

CURRICULUM VITAE

January 8, 2007

PERSONAL

Name: **VAN REEKUM, ROBERT (ROB)**

1. BIOGRAPHICAL INFORMATION

1. a) EDUCATION & TRAINING

1991-1997: Masters Program in Design, Measurement and Evaluation,
McMaster University, Hamilton, Ontario.

1991 Fellow, Royal College of Physicians and Surgeons of Canada, Psychiatry.

1989-1991 Clinical Investigator Training Program,
Department of Psychiatry,
McMaster University, Hamilton, Ontario.

1989-1990 Postgraduate Medical Education Program
Department of Psychiatry,
McMaster University, Hamilton, Ontario.

Residency Program - Psychiatry R-4

1988-1989 Boston University School of Medicine,
Boston Veterans' Administration Medical Centre,
Department of Neurology,
Boston, MA.

Fellowship - Behavioural Neurology.

Funding - Education Grant,
Ontario Mental Health Foundation.

1986-1988 Postgraduate Medical Education Program
Department of Psychiatry,
McMaster University, Hamilton, Ontario.

Residency Program - Psychiatry (CORE Program)

1985-1986 Comprehensive Internship in Internal Medicine
McMaster University, Hamilton, Ontario.

1982-1985 M.D. Degree Program,
McMaster University, Hamilton, Ontario.

1977-1981 Hon. Bachelor of Science Degree Program
McMaster University, Hamilton, Ontario.

Degree:
Honours Biochemistry
Graduated with Honours

1.b) CURRENT APPOINTMENTS

July 2003 - present Associate Member, Institute of Medical Science, University of Toronto

Aug. 1997 - present Scientist, Kunin-Lunenfeld Applied Research Unit,
Baycrest Centre for Geriatric Care

Sept. 15, 1994 - present Staff Psychiatrist, Department of Psychiatry, Baycrest Centre for Geriatric Care

Sept. 15, 1994 - present Assistant Professor, Department of Psychiatry, Faculty of Medicine,
University of Toronto (Division of Geriatric Psychiatry)

Sept. 15, 1994 - present Courtesy Staff, Chedoke-McMaster Hospitals. Consultant in
Neuropsychiatry, Acquired Brain Injury Program

1. c) PREVIOUS APPOINTMENTS

May 2002 Consultant, Neurology Program, Toronto Rehabilitation Institute
August 2006

Oct. 1999- July 2006 Courtesy Staff, Orillia Soldiers Memorial Hospital. Consultant in
Geriatric Neuropsychiatry, Baycrest-Orillia Senior's Support (BOSS) Program

July 1, 1991 - Sept. 15, 1994 Assistant Professor, Department of Psychiatry
McMaster University, Hamilton, Ontario.

i) Consultant and Responsible Physician, Acquired Brain Injury Program
(In-Patient Service, and Out-Patient Program),
Chedoke-McMaster Hospitals, Hamilton, Ontario.

ii) Personality Investigation Team,
Hamilton Psychiatric Hospital, Hamilton, Ontario.

1. d) PROFESSIONAL AFFILIATIONS AND ACTIVITIES

1. d) i Organizations.

Member:	Canadian Academy of Geriatric Psychiatry
Member:	Ontario Medical Association
Member:	American Neuropsychiatric Association
Past Member:	Canadian Psychiatric Association
Past Member:	International Neuropsychiatric Association
Past Member:	Consortium of Canadian Centres for Clinical Cognitive Research (C5R)
Past Member:	Behavioural Neurology Section, University of Toronto
Past Member:	American Psychiatric Association (1991-2001)
Past Member:	International Society for the Study of Personality Disorders
Telehealth Consultant:	The "North Network"

1. d) ii SCHOLARLY ACTIVITIES

May 2006 – present Member, Editorial Board, Canadian Journal of Geriatrics

May 2006 – present Reviewer, Journal of Affective Disorders

April 2006 – present Member, working group (chaired by Dr. P. Links), Borderline Personality Disorder Research Foundation (re: impulsivity in BPD).

Dec 2005 – present Guest Editor, Special Issue on Neuropsychiatry, Psychosomatic Research.

Oct 2005 – present Member, DSM working group (re: Apathy, for DSMV). Chaired by Dr. R. Marin.

October 2005 Reviewer, CIHR grant (Reference # 20059MCT-RCT-150909-A). Grant related to the prevention of depression in older adults.

Sept 2005 – present Member, Editorial Board. Canadian Journal of Psychiatry.

May, 2005 Judge, Institute of Medical Sciences, University of Toronto, Alan Wu Poster Competition.

February, 2005 Reviewer, Evidence Based Mental Health

Dec 2004 – present Reviewer, Ontario Neurotrauma Foundation funded Evidence-Based Review of ABI (ERABI).

September, 2004 Reviewer for Dr. M. Bayley (re: his promotion with University of Toronto).

May, 2004 Reviewer, Canadian Journal on Aging.

February, 2004 Reviewer, Psychosomatics

Dec 2003 – present	Co-editor, Section on “Organic Disorders” of the Cambridge Textbook on Effective Treatments in Psychiatry. Text ‘in press’ as of December, 2006.
November 2003	Member, Advancing Theories, Frameworks, Methods and Measurement (CIHR) Review Committee.
August 2003	Primary Reviewer, Baycrest Research Ethics Committee (REB # 03-35).
July 2003	Committee Member, The Cognitive Impairment Network of Canada (Dr. H. Chertkow, Principle Investigator).
April 2003 – present	Reviewer, Journal of Neuropsychiatry and Clinical Neurosciences
Aug 2002	External Reviewer, St. Michael’s Hospital Research Ethics Board. REB 02-165
2001	Focus group participant, Disclosure of Personal Health Information, Alzheimer Society of Canada
Dec 2001 – Oct 2002	Chair, Planning Committee, 2 nd Annual KLARU Conference, Baycrest Centre for Geriatric Care
Nov 2001 – present	Member, Advisory Board, Journal of Geriatric Care.
Aug 2001 – Dec 2001	Committee Member, Search Committee for the Alzheimer’s Chair, University of Toronto.
Aug 2001 – 2003	Research Coordinator for the Division of Geriatric Psychiatry, Department of Psychiatry, University of Toronto.
Aug 2001 – 2004	Member, Research Coalition of the Alzheimer Strategy of Ontario, Ministry of Health, Government of Ontario.
July 2001 – Dec 2001	Committee Member, Search Committee for the Lewar Chair in Geriatric Psychiatry, University of Toronto.
Mar 2001 - Dec 2001	Committee Member, Poster Review Committee, 11 th Annual Rotman Research Conference.
Feb 2001 – Feb 2002	Committee Member, Ad hoc Working Group Regarding Integration of Research into Clinical Care, Baycrest Centre.
Feb 2001 – May 2001	Committee Member, 1 st Annual KLARU Conference Planning Committee.
Sept 2000 - Dec 2001	Committee Member, Search Committee for the Chair of Neuropsychopharmacology, Baycrest Centre for Geriatric Care and University of Toronto

March 2000	External Reviewer, University Health Network Research Ethics Board. Farcnik K, Carlen P: 00-0076-A
January 1999	Organizing Committee Member, Pharmacotherapy of Dementia and Associated Disorders Conference. Division of Geriatric Psychiatry, University of Toronto
1999- present	Commentator, Evidence Based Mental Health
1998 - present	External Reviewer, Alzheimer's Society of Canada
1998 – 2000	Committee Member, Adhoc Working Group to develop an Inpatient Rehabilitation Program for Geriatric Acquired Brain Injury, Baycrest Centre
June 1998- 2000	Chair, Committee to Develop the Program for Intervention, Education and Research into Early Dementia (PIER-ED), Baycrest Centre for Geriatric Care
Jan.1997 - present	Executive Committee Member, Chair in Suicidology Department of Psychiatry University of Toronto
1997 – 1998	Clinical Investigator, GAL-INT1 (Janssen-Ortho); published as Wilcock G.E. et al: Efficacy and Safety of Galantamine in Patients with Mild to Moderate Alzheimer's Disease. BMJ 321:1445-1449, 2000.
1997-present	Reviewer, Journal of Psychiatry and Neuroscience
1997 Factors	M. Sc. Thesis Review. Shari Joseph: The Neuropsychological Risk Associated with Borderline Pathology in Children. McGill University, Montreal, Canada.
Sept. 1996 - present	Coordinator of Research, Department of Psychiatry Baycrest Centre for Geriatric Care
Sept. 1996 - present	Fellowship Coordinator, Department of Psychiatry Baycrest Centre for Geriatric Care
1995	Review of Medical Research Council, Grant #95030P-30208-BSB-A
1993 - 1994	Member, Post-graduate Education Committee, Department of Psychiatry, McMaster University, Hamilton, Ontario.
1992 – 1994	Organizer, Department of Psychiatry Annual Research Day, Psychiatry Residents Research Half Day, and Core Program Evaluation; McMaster University

1991 - 1994 Member, Departmental Research Committee,
Department of Psychiatry,
McMaster University, Hamilton, Ontario.

1. d) iii ADMINISTRATIVE RESPONSIBILITIES

June 2000 - June 2001 Co-chair, Medical Advisory Committee, Baycrest Centre for Geriatric Care

Nov 1999- March 2001 Committee Member, Form 1 for Attendant Care Committee, Ontario Brain Injury Association and Ministry of Health of Ontario

July 1999- July 2000 Executive Committee Member, Jewish Home for the Aged Research Committee, Baycrest Centre for Geriatric Care

July 1999 - June 2001 Ex-officio Board Member, Board of Directors, Baycrest Centre for Geriatric Care

July 2000- June 2001 President, Medical Staff Association, Baycrest Centre for Geriatric Care

January 2000 - October 2000 Committee Member, Search Committee for Neuropsychiatry Scientist position, Baycrest Centre for Geriatric Care

May 2000 - Sept 2000 Committee Member, Baycrest Informatics Database Development

July 1999- June 2000 Vice President, Medical Staff Association Baycrest Centre for Geriatric Care

May 1998- June 1999 Treasurer, Medical Staff Association Baycrest Centre for Geriatric Care

Nov. 1997- September 1999 Chair, Health Records Committee. Baycrest Centre for Geriatric Care

Nov. 1997- Dec 2000 Member, ABI Standards Advisory Committee. Provincial Acquired Brain Injury Advisory Committee and the Canadian Council of Health Services Accreditation

Sept. 1997 Ad hoc Position Paper for the Research Advisory Council, (Regarding Industry Sponsored Research) Baycrest Centre for Geriatric Care

1992 - 1994 Director, Brain Injury Services of Hamilton, Hamilton, Ontario.

1991 - 1992 Unit Director, Inpatient Services, Acquired Brain Injury Program, Chedoke Division,

Chedoke-McMaster Hospitals, Hamilton, Ont

1. d) iv REVIEW OF MANUSCRIPTS

Multiple Reviews for Canadian Journal of Psychiatry, September 2005-present.

Cognitive Response to Memantine in Moderate to Severe Alzheimer's Disease Patients Already Receiving Donepezil. JAGS, August 2005.

Targeted Pharmacology for Cognition and Aggression in Frontal Lobe Injury. Psychosomatics, February 2005.

Deficits in Visual Functions and Neuropsychological Inconsistency in Borderline Personality Disorder. Journal of Personality Disorder, January 2005.

An Investigation of Organic Factors in the Neuropsychological Functioning of Patients with Borderline Personality Disorder. Journal of Personality Disorders, May 2004.

Extremely Heterogeneous Neuropsychological Testing Results – A Characteristic of Borderline Personality Disorder? Journal of Personality Disorders, December 2003.

GABAergic Function in Alzheimer's Disease: Evidence for Dysfunction and Potential As a Therapeutic Agent. Canadian Journal of Psychiatry, October 2003.

Increasing Memory Load Modulates Regional Brain Activity in Older Adults as Measured by fMRI. Journal of Neuropsychiatry and Clinical Neurosciences, August 2003.

The Clinical Significance of Major Depression Following Mild Traumatic Brain Injury. Psychosomatics, January 2002.

Increased Risk of Developing Dementia in Patients with Major Affective Disorders Compared to Patients with Other Medical Illnesses. Journal of Affective Disorders, March 2001.

The Effect of Cerebrovascular Risk Factors on Depression Treatment Outcome in Later Life. American Journal of Geriatric Psychiatry, December 2000.

Nonpharmacologic Interventions for Inappropriate Behaviours in Dementia. American Journal of Geriatric Psychiatry, August 2000.

Estrogen and Nerve Growth Factor – Neuroprotection and Repair in Alzheimer's Disease. Expert Opinion on Investigational Drugs, February 2000.

Depression is not a Risk Factor for Dementia in the Oldest – Old Geriatric Population. Am J Ger Psychiatry, December 1999.

Drug Induced Confusion in the Elderly, Drugs and Aging, November 1998.

Assessment of Suspected Dementia. CMAJ, November 1998.

Computerized Tomography in Schizophrenia: Relationship with Symptom Dimensions and Gender Differences. Journal of Psychiatry and Neuroscience, July 1998.

Stimulation of Noradrenaline Release by T-588, A Cognitive Enhancer, in PC12 Cells. Biochemical Pharmacology, May 1998.

Age-Associated Memory Impairment: Normal Aging or Warning of Dementia? Drugs and Aging, May 1997.

Thyroid Function in Alzheimer's Disease. Journal of Psychiatry and Neuroscience, April 1997.

Quantitative EEG Measures in Borderline Personality Disorder. Journal of Personality Disorders, May 1995.

2. ACADEMIC HISTORY

2. a) RESEARCH ENDEAVOURS

Geriatric Neuropsychiatry (Brain/Behaviour Relationships), with involvement at clinical, research and teaching levels. More specifically the research foci have included:

- i) Establishing a causal role for brain dysfunction in some patients with Borderline Personality Disorder
- ii) Cognitive and behavioural sequelae of Traumatic Brain Injury and their treatment
- iii) Cognitive and behavioural sequelae of the dementias and their treatment
- iv) Establishing causation in Neuropsychiatry
- v) Predicting and preventing Alzheimer's Disease
- vi) Apathy syndrome

2. b) RESEARCH AWARDS

- | | |
|--|---|
| January 2004 -
January 2007 | Greenwood C, Binns M, van Reekum R : Food Intake Patterns in Institutionalized Seniors with Cognitive Impairment. Canadian Institute of Health Research (approx. \$128,000.00 for each of 3 years). |
| April 2003 -
2005 | Velikonja D, van Reekum R : Pilot Study of Donepezil for Cognitive Recovery in People with Acquired Brain Injury. Hamilton Health Sciences Centre (\$10,000.00) |
| October 2002 -
September 2005 | van Reekum R , Stuss DT, Streiner DL, Verhoeff NPLG, Rapoport M, Bayley M, Masanic C, Griffin S: A Randomized Controlled Trial of the Effects on Donepezil on Cognitive, Behavioural and Functional Outcomes |

	in Traumatic Brain Injury. Canadian Institutes of Health Research (\$334,326.00)
April 2002 – January 2004	Scalco, MZ. (van Reekum: Supervisor): CIHR Institute of Aging Fellowship (\$41,500.00 per year; \$83,000.00 in total)
Jan 2002 – April 2003	Velikonja D, Harvey D, van Reekum R (co-investigator): Donepezil for Traumatic Brain Injury. Acquired Brain Injury Program, Hamilton Health Sciences Centre (\$15,000.00)
July 2001 - May 2004	Rockwood K (Principal Investigator), McKnight C, Jarrett P, Strong H, Gorman M, van Reekum R (co-investigator), Feldman H: Evaluating the Effects of Galantamine HBr using Goal Attainment Scaling (GAS) in a Placebo-Controlled Trial of Mild to Moderate Alzheimer's Disease Subjects. Canadian Institutes of Health Research, Grant # 9981 (\$455,399.00)
Jan. 2000 - Sept. 2003	Greenwood C (Principal Investigator), van Reekum R (co-investigator): Food Intake Patterns in Seniors with Cognitive Impairment. Canadian Institutes of Health Research (\$217,696.00)
1999 – 2004	Simard M (Principal Investigator) and van Reekum R (co-investigator), Conn D, Herrmann N, Chayer C, Freedman M: An Open-Label Trial of Olanzapine for Psychosis in Dementia With Lewy Bodies. Zyprexa Research Fund, Eli Lilly Canada (\$20,000.00)
June 2000- November 2000	McGilton K (Principal Investigator) and Dawson P, Rivera T, van Reekum R (co-investigator): The Effects of a Spatial Orientation Intervention to Minimize the Stress of Relocation for Elders with Dementia. Canadian Gerontological Nursing Association (\$2,500.00), Baycrest Centre for Geriatric Care Nursing Research & Education Committee (\$1,500.00), and KLUARU Research Unit (\$3,000.00).
1999 - 2001	van Reekum R (Principal Investigator), Binns M, Black S, Conn D, Freedman M, Herrmann N, Lieff S, Stuss D, Rewilak D, Chayer C, Simard M, Mayberg H: Historical Cohort Study Examining the Role of Late Onset Depression and Cognitive Impairment in Predicting Future Alzheimer's Disease.
1998- 2000	Herrmann N (Principal Investigator), Lanctot K, Naranjo C, Eryavec G, van Reekum R (co-investigator): The Role of the Central Noradrenergic System in Behavioural Disorders Associated with Alzheimer's Disease: A Neuroendocrine Challenge Study. Physicians' Services Incorporated Foundation; (\$100,000.00)
1998-1999	Masanic C (Principal Investigator) and, Bayley M, van Reekum R (co-investigator), Simard M: An Open Ended Pilot Study of Donepezil for Memory Impairment Following Traumatic Brain Injury. Acquired Brain Injury Program, Hamilton Health Science Corp; (\$2,500.00)

-
- 1998-1999** Links PS (Principal Investigator) and, **van Reekum R** (co-investigator), Heslgrave R, Rhodes A:
A study of the Acute and Continuing Effectiveness of Paroxetine in Patients with Borderline Personality Disorder.
Smith Kline Beecham Inc.; (\$103,000.00)
- 1997 - 1999** **van Reekum R** (Principal Investigator), and Conn D, Herrmann N:
A Randomized Clinical Trial of the Discontinuation Of Neuroleptics Used to Manage Chronic Behaviour Problems in Dementia. Alzheimer s Society of Canada;
(\$88,982.00)
- 1997 – 1999** **van Reekum R** (Baycrest study co-ordinator):
Efficacy, Tolerability and Safety of Galantamine in the Treatment of Alzheimer's Disease. Janssen Pharmaceuticals; (\$24,752.00)
- 1995** **van Reekum R** (Baycrest study co-ordinator)
Risperidone in the Treatment of Behavioural Disturbances in Demented Patients. Janssen Pharmaceuticals; (\$62,820.00)
- 1990** Research Development Fellowship,
Canadian Psychiatric Research Foundation; (\$28,000.00)
- 1988** Education Grant, Ontario Mental Health Foundation; (\$23,000.00)

4. PRESENTATIONS

4. a) Invited Presentations

Invited Presentation: Plenary Talk on Treatment of Late Life Depression. KLUARU Conference, Toronto, ON, October 2006.

Invited Presentation: Drug Therapy for Cognition in TBI. Brain Injury Association of Niagara Annual Conference, October 2006.

Invited Presentation: Traumatic Brain Injury: From Hospital to Home. Royal Victoria Hospital Brain Injury Conference, Barrie, ON, October 2006.

Invited Presentation: Apathy: Why Care? University Health Network Grand Rounds. May 2006.

Invited Presentation: Drug Therapy for Cognition in ABI. 12th Annual Academic Day for Ontario Psychiatrists, Toronto, ON, November 2005.

Invited Keynote Presentation: Paddling the ABI Rapids – Strategies for Staying Afloat. 5th Annual Interurban Brain Injury Conference, Peterborough, ON, October 2005.

Invited Presentation: Depression and Dementia. 8th Annual PASE Conference. Peterborough, ON, April 2005.

Invited Presentation: Apathy in Dementia. 8th Annual PACE Conference. Peterborough, ON, April 2005.

Invited Presentation: **van Reekum R.** (Presented by Dr. M. Rapoport): Can Traumatic Brain Injury Cause Alzheimer's Disease? Annual Meeting of the American Academy of Geriatric Psychiatry, San Diego, California, March 2005.

Invited Presentation: The Fourth Border of Borderline Personality Disorder. 16th Annual American Neuropsychiatric Association Meeting, Miami, Florida, February 2005.

Invited Presentation: Depression and Dementia. Psychogeriatric Update, Division of Geriatric Psychiatry, University of Toronto, Toronto, ON, November 2004.

Invited Presentation: Biopsychosocial Determinants of Mental Health in ABI. Annual Meeting of the Law Society of Upper Canada, Toronto, Ontario, October 2004.

Invited Presentation: Apathy: Who Cares? 19th Annual Psycho-Geriatric Team Exchange. Hamilton, Ontario, June 2004.

Invited Interview: The National Post (re: "subsyndromal disorders in psychiatry"), January 2004.

Invited Presentation: Prevention in Alzheimer's Disease. Psychogeriatric Update, Baycrest Centre and University of Toronto, Toronto, ON, November 2003.

Invited Presentation: Psychiatric Consequences of "Minor" Brain Injury. Workplace Safety and Insurance Board's First Annual Continuing Medical Education Event. Toronto, Ontario 2003.

Invited Interview: Medical Hotseat. The Discovery Chanel. October 2003.

Invited Presentation: Apathy – Who Cares? Institute for Clinical Evaluative Sciences (ICES), October 2003.

Invited Interview: Motion Sickness (Dromomania). Globe and Mail, June 2003.

Invited Plenary Presentation: Biopsychosocial Determinants of Mental Health in ABI. 10th Annual Conference on Neurobehavioural Rehabilitation in Acquired Brain Injury. Hamilton, June 2003.

Invited Interview: Late Onset Depression may be Precursor of Alzheimer's. The Chronicle of Neurology and Psychiatry, April 2003.

Invited Plenary Presentation: Biopsychosocial Aspects of Acquired Brain Injury and Mental Health. Acquired Brain Injury and Mental Health Conference, Kingston, April 2003.

Invited Interview: Age of Restraint. National Post, March 2003.

Invited Presentation: Cholinesterase Inhibitors for Vascular Dementia. Behavioural Neurology Section Meeting, Toronto, November 2002.

Invited Presentation: Late-life Depression as a Predictor of Alzheimer's Disease. 2nd Annual KLARU Conference, Toronto, October 2002.

Invited Presentation: A Brain Map for Beginners. Ontario Trial Lawyer's Association Annual Conference, Toronto, October 2002.

Invited Presentation: Memory Enhancement and Neuropharmacology. Brain Injury Association of Niagara Annual Conference, Niagara Falls, Ontario, October 2002.

Invited Interview: Apathy: Who Cares? Appeared in The Lancet Neurology, 1:80, June 2002.

Invited Presentation: Management of Fatigue in TBI. Brain Injury Association of London and Region Annual Conference, London ON, June 2002.

Invited Presentation: Mood and Motivation. Neuro-motor and Neuro-cognitive Perspectives in Occupational Therapy, Faculty of Medicine, University of Toronto, Toronto, June 2002.

Invited Presentation: Plenary Talk: Alzheimer's Disease: Lessons for Care and Research in ABI? 9th Annual Conference on Neurorehabilitation in Acquired Brain Injury, Hamilton, Ontario, May 2002.

Invited Presentation: Proving the Mild Brain Injury Case. Ontario Trial Lawyers Association Annual Conference, Toronto, May 2002.

Invited Presentation: An Analysis of Marked or Extreme Impairment Due to Mental or Behavioural Disorder. Practical Strategies for Health Care Professionals, Toronto, April 2002.

Invited Participant: Towards a National Research Strategy for Cognitive Impairment in Aging. Institute of Aging, Canadian Institute for Health Research, Montreal, April 2002.

Invited Presentation: Apathy: Who Cares. 12th Annual Rotman Research Conference, Toronto, March 2002.

Invited Interview: Memory Changes Associated with Aging and Illness; City TV-Pulse 24, March 2002.

Invited Interview: Depression and Traumatic Brain Injury: The Chicago Tribune, January 2002.

Invited Presentation: TBI and Psychiatric Disorders. Grand Rounds, North York General Hospital, December 2001.

Invited Presentation: Conn D, **van Reekum R**, Rewilak D: Behaviours of Dementia. 1st Annual KLARU Conference, Toronto, October 2001.

Invited Interview: TVO's "More to Life Than Your Health" (regarding Alzheimer's Disease Sequelae and Their Treatment). June 2001.

Invited Presentation: Programs for the Newly Diagnosed, Presented at Dealing with Dementia: Shared Reality and Vision. Ontario Hospital Association and Alzheimer's Society of Ontario, Toronto, June 2001.

Invited Presentation: Chair, Early Detection / Prevention of Alzheimer's Disease, 11th Annual Rotman Research Conference, Toronto, March 2001.

Invited Interview: CBC's "The National", August 2000. Regarding Prevention of AD with Amyloid Vaccine.

Invited Presentation: Neuropsychiatric Assessment, 11th Annual Rotman Research Conference, Toronto, March 2001.

Invited Presentation: Neurobehavioural Sequelae and Treatment of Traumatic Brain Injury in the Elderly. Perspectives in Neuropsychiatry, North Bay Psychiatric Hospital, North Bay, February 2001.

Invited Presentation: Round Table Discussion on Management of Dementia. Orillia Soldiers Memorial Hospital, Orillia, January 2001.

Invited Presentation: Preventing Alzheimer's Disease. Healthy Living Lecture Series, Mount Sinai Hospital, November 2000.

Canadian Press Interview, August 2000. Regarding Traumatic Brain Injury Causing Psychiatric Disorders (included in a number of publications across Canada and Japan).

Invited Presentation: New Hope for Cognitive Enhancing Drugs. Psychogeriatric Update, Baycrest Centre for Geriatric Care and University of Toronto, Toronto, May, 2000.

Invited Presentation: Simard M, **van Reekum R**, Freedman M, Myran D, Black S, Panisset M, Cohen T, Suvajac B: Altérations cognitives des sujets avec démence avec corps de Lewy et des sujets avec maladie d'Alzheimer. University of Moncton, NB, February 2000.

Invited Interview: "When The Mind Fails" (Re: Alzheimer's Disease). T.V. Ontario, January 2000.

Invited Presentation: Keynote speaker, Behaviours of Dementia. Simcoe County Long-Term Care Update. November 1999.

Invited Interview: "Taking Care", Program 7. (Re: Alzheimer's Disease). T.V. Ontario, October 1999.

Invited Presentation: Psychiatric Sequelae of Traumatic Brain Injury. 6th Annual Conference on Neurobehavioural Rehabilitation in Acquired Brain Injury, Hamilton Health Sciences Corporation and Ontario Brain Injury Association, May 1999.

Invited Presentation: Chair, Assessment and Rehabilitation (Workshop). 9th Annual Rotman Research Institute Conference, Traumatic Brain Injury. Toronto, March 1999.

Invited Presentation (along with Dr. M. Tierney): Preventative Pharmacotherapy. Pharmacotherapy of Dementia and Associated Disorders, Division of Geriatric Psychiatry, University of Toronto, Toronto, January 1999.

Invited Presentation (along with Dr. R. Shulman): Neuroleptics. Pharmacotherapy of Dementia and Associated Disorders, Division of Geriatric Psychiatry, University of Toronto, Toronto, January 1999.

Invited Presentation (along with Dr. S Feldman and J Richards, R.N.): Cognitive Impairment in Long-Term Care. Issues in Geriatric Medicine, Dr. Ira Pollock Clinic Day. Baycrest Centre November 1998.

Invited Presentation: Recognition and Management of Apathy Syndromes. Canadian Association of Geriatric Psychiatry, Halifax, September, 1998.

Invited Presentation: Treatment of Dementia. St. Joseph's Health Centre Family Practice Core Day, Toronto, August 1998.

Invited Presentation: Dementia: The Challenge of the New Millenium. Alzheimer's Society of Ottawa - Carleton, and Hoechst Marion Roussel, Lake Placid, New York, April 1998.

Invited Presentation: Teleconference - Brain Injury Services of Northern Ontario. November 1997.

Invited Presentation: Family Impact. Hamilton-Wentworth Head Injury Association. October 1997.

Invited Presentation: Medications for Dementia. Reaching Out Together II Conference. Sunnybrook Health Science Centre, October 1997.

Invited Presentation: New Hope for Dementia: The Role of Cognitive Enhancing Drugs. Psychogeriatric Update 1997- New Developments and Practical Management in the Care of the Elderly. Toronto, April 11, 1997.

Invited Presentation: Distinguishing Organic and Psychologic Injury. Advocates Society, Practical Strategies VI, Toronto, October 1996.

Invited Presentation: New Research Developments in Psychogeriatrics. An Aging Population: Psychogeriatrics in the 90's, Ministry of Health. North Bay, September 1996.

Invited Presentation: Links PS, Heslegrove R, **van Reekum R**: Impulsivity: Core Aspect of Borderline Personality. American Psychiatry Association Annual Meeting, New York, March 1996.

4. b) Presentations at Scientific Meetings and Symposia

Wiederkehr S, Simard M, Fortin C, van Reekum R: Sensitivity and Specificity of the Clinical Diagnostic Criteria for Vascular Dementia: A Critical Review. Poster, 18th Annual Meeting of the American Neuropsychiatric Association, Tucson, Arizona, February 2007.

Simard M, Clarke DE, van Reekum R: Clinical and Demographic Characterization of Patients with Dementia and Apathy. Poster, VIII Congress International Francophone de Gerontologie, Quebec City. Quebec, October 2006.

Presentation: Scalco MZ, **van Reekum R**, Rewilak D, Clarke D, Castel S, Streiner D: Dementia Rating Scale Differs on Late-Onset and Early-Onset Geriatric Depression. American Psychiatric Association Annual Meeting, Toronto, ON, May 2006.

Presentation: Heisel MJ, Links PS, Conn D, **van Reekum R**, Flett GL: Narcissistic Personality and Vulnerability to Late-Life Suicide. Annual Conference of the Canadian Association for Suicide Prevention, Edmonton, Alberta, October 2004.

Presentation: Simard M, **van Reekum R**, Clarke D, Jean L, Chayer C, Conn DK, Herrmann N, Mayberg HS, Rewilak D, Stuss DT: Is Late-Life Depression a Predictor of Dementia? American Neuropsychiatric Association Annual Meeting, Orlando, Florida, February 2004.

Poster: Simard M, **van Reekum R**, Panisset M, Freedman M, Gauthier S: Differential Impairment of Working Memory in Dementia with Lewy Bodies and Parkinson's Disease. 32nd Annual Meeting of the International Neuropsychological Society, Baltimore, February 2004.

Poster: Simard M, **van Reekum R**, Myran D, Panisset M: Different Subtypes of Visuospatial Impairment in Dementia with Lewy Bodies and Alzheimer's Disease: A Process Analysis Approach. Theoretical and Experimental Neuropsychology Conference (XIV), Montreal, June 2003.

Presentation: Simard M, **van Reekum R**: Acetylcholinesterase Inhibitors for Treatment of Dementia with Lewy Bodies. 6th Annual International AD/PD Conference, Seville, Spain, May 2003.

Presentation: Greenwood CE, Tam C, Chan M, Young KWH, Binns M, **van Reekum R**: Changes in Macronutrient Selection in Seniors with Alzheimer's Disease. European Winter Conference on Brain Research, Les Arcs, France, March 2003.

Abstract: Young KW, Greenwood CE, Binns MA, **van Reekum R**: Behavioural and Cognitive Deterioration Associate with Disruption in Appetite Regulation. 18th International Conference of Alzheimer's Disease International Alzheimer Congress, Barcelona, October 2002.

Abstract: Tam C, Chan M, Young KWH, Binns MA, **van Reekum R**, Greenwood CE: Behavioural Disturbances, Not Cognitive Deterioration, Associate with Altered Appetite Regulation in Seniors with Alzheimer's Disease. 18th International Conference of Alzheimer's Disease International, Barcelona, October 2002.

Presentation: Scalco M, van Reekum R: Estrogens and Alzheimer's Disease in Elderly Women. American Psychiatric Association Annual Meeting, Philadelphia, May 2002.

Poster: Heisel MJ, Flett GL, **van Reekum R**, Conn D: A Psychometric Analysis of the Geriatric Depression Scale (GDS) in a Clinical Sample. 12th Annual Rotman Research Conference, Toronto, March 2002.

Poster: Simard M, **van Reekum R**, Myran D, Pannisset M, Black SE, Freedman M: Differential Performance on the Benton Judgement Line Orientation Test in Dementia with Lewy Bodies and Alzheimer's Disease. 13th Annual Meeting of the American Neuropsychiatric Association, La Jolla, CA, March 2002.

Presentation: McGilton K, Dawson P, Rivera T, **van Reekum R**: Effects of a Spatial Orientation Intervention to Minimize the Stress of Relocation for Persons With Dementia. 11th Annual Gerontological Nursing Conference, Corner Brook, June 2001.

Poster: **van Reekum R**, Conn D, Herrmann N, Eryavec G, Clarke D, Cohen T, Ostrander L: A Randomized Placebo-Controlled Trial of the Discontinuation of Long-Term Antipsychotics in Dementia. Harvey Stancer Research Day, June 2001.

Poster: **van Reekum R**, Masanic CA, Bayley MT, Simard M: Open-Label Study of Donepezil in Traumatic Brain Injury. 4th World Congress on Brain Injury, Turin, Italy, May 2001.

Presentation: **van Reekum R**, Cohen T, Wong J: Can Traumatic Brain Injury Cause Psychiatric Disorders? 4th World Congress on Brain Injury, Turin, Italy, May 2001.

Poster: Simard M, **van Reekum R**, Myran D, Panisse M, Cohen T, Freedman M, Black S, Suvajavac B: Differential Memory Impairment in Dementia with Lewy Bodies and Alzheimer's Disease, 11th Annual Rotman Research Conference, Toronto, March 2001.

Presentation: Simard M, **van Reekum R**: Impairment of Working Memory in Dementia with Lewy Bodies and Alzheimer's Disease. International Conference on Brain and Aging. Sydney, Australia, November 3, 2000

Poster: Rapoport M, **van Reekum R**, Freedman M et al: Relationship of Psychosis to Aggression, Apathy and Function in Dementia. Annual Meeting, American Neuropsychiatric Association, Fort Myers, Fla, February 2000.

Presentation: Rapoport M, **van Reekum R** et al: Relationship of Psychosis to Aggression, Apathy and Function in Dementia. Ontario Psychiatric Association Annual Meeting, Toronto, January 2000.

Presentation: Masanic C, Bayley M, **van Reekum R**, Simard M: Open Label Study of Donepezil in Traumatic Brain Injury. Ontario Academic Physiatry Day, Toronto, November 1999.

Presentation: **van Reekum R**: Role of Depression Severity, and Treatment, on Cognitive Functioning in Elderly Subjects with CNS Disease. Harvey Stancer Research Day, University of Toronto, June 1999.

Poster: **van Reekum R**, Clarke D, Simard M, Conn D: Role of Depression Severity and Treatment on Cognitive Functioning in Elderly Subjects with CNS Disease. American Neuropsychiatric Association Annual Meeting, New Orleans, February 1999.

Poster: Simard M, Clarke D, **van Reekum R**: Cognition in Late-Onset Depression Subjects with Delusions. American Neuropsychiatric Association Annual Meeting, New Orleans, February 1999.

Poster: **van Reekum R**, Conn D, Simard M, Clarke D, Binn M: Late-life Depression as a Possible Predictor of Dementia. Harvey Stancer Research Day, University of Toronto, June 1998.

Poster: Simard M, **van Reekum R**: Memory Assessment in Studies of Cognition Enhancing Drugs for Alzheimer's Disease. Harvey Stancer Research Day, University of Toronto, June 1998.

Poster: Conn D, Clarke D, **van Reekum R**: Depression in Holocaust Survivors: Profile of Depression and Treatment Outcome in a Geriatric Day Hospital Program. Harvey Stancer Research Day, University of Toronto, June 1998.

Co-Presenter: Herrmann N, Lanctot KL, Naranjo CA, **van Reekum R**, Eryavec G: Serotonergic Function and Aggression in Alzheimer's Disease. American Psychiatric Association, Toronto, June 1998.

Poster: Lanctot KL, Herrmann N, Eryavec G, **van Reekum R**, Shulman RW, Naranjo CA: Central Serotonergic (5-HT) Function is Related to Agitated Aggression in Alzheimer's Disease. 99th Annual Meeting of the American Society for Clinical Pharmacology and Therapeutics, New Orleans, March 1998.

Presentation: Links PS, Heslegrave R, **van Reekum R**: Prospective Cohort Study of Borderline Personality Disorder: Prognosis, Prediction of Outcome and Axis II Comorbidity. Paper presented at 47th Annual Meeting, Canadian Psychiatric Association Calgary, September 1997.

Presentation: Herrmann N, Lanctot KL, Naranjo CA, **van Reekum R**, Eryavec G: Prolactin Response to Fenfluramine Challenge Correlates with Impulsive Aggression in Alzheimer's Disease. 8th Congress of the International Psychogeriatric Association, Jerusalem, August 1997.

Poster: **van Reekum R**, Black S, Conn D, Clarke D: Cognition Enhancing Drugs in Dementia: A Review. Harvey Stancer Research Day, University of Toronto, June 1997.

Poster: Lanctot KL, Naranjo CA, **van Reekum R**, Herrmann N: Role of Serotonin in Aggressive Behaviours Associated with Alzheimer's Disease. Harvey Stancer Research Day, University of Toronto, June 1997.

Poster: Lanctot KL, Naranjo CA, **van Reekum R**, Herrmann N: Role of serotonin in aggressive behaviours associated with Alzheimer's disease. 3rd Annual Visions in Pharmacology Research Day, University of Toronto May 1997.

Presentation: Lanctot KL, Herrmann N, Naranjo CA, **van Reekum R**, Eryavec G, Shulman RW: Role of Serotonin in Aggressive Behaviours Associated with Alzheimer's Disease. 37th Annual Meeting of the New Clinical Drug Evaluation Unit, Boca Raton, May 1997.

Presentation: McKnight L, Konst BC, Molnar GF, **van Reekum R**: The Effect of Clozapine in Reducing Maladaptive Behaviours and Promoting Quality of Life in an Adult with an Acquired Brain Injury New Beginnings Conference, Hamilton, Ontario May 1997.

Poster: Impulsivity: The Core of Borderline Personality Disorder. R. Harvey Stancer Research Day, University of Toronto, June 1996.

Poster: Amantadine N of I. Recent Developments in Geriatric Psychopharmacology, An Invitational Workshop. Organized by the Division of Geriatric Psychiatry, University of Toronto, 1994.

Poster: International Society for the Study of Personality, Boston MA, Sept 1993.

Poster: **van Reekum R** et al: The PIT Team. American Psychiatric Association Annual Meeting, Washington, DC, May 1993.

Presentation: **van Reekum R** et al: Neurobehavioural Study of Borderline Personality Disorder: Symposium paper presentation, (Chair - Dr. K. Silk), American Psychiatric Association Annual Meeting, Washington, D.C., May, 1993.

Presentation: **van Reekum R**: Neurobehavioural Study of Borderline Personality Disorder: The Follow-up Study. Paper presented at Board of Directors Meeting, Canadian Psychiatric Research Foundation, 1991.

Presentation: **van Reekum R**, Cleghorn J: Report on the Evidence Supporting a Biological Basis for Schizophrenia - Ontario Friends of Schizophrenia, May, 1991.

Poster: Conway C, **van Reekum R**, Bachman DL: Traumatic Brain Injury in patients with Borderline Personality Disorder. American Psychiatric Association Annual Meeting, New Orleans, 1991.

Presentation: **van Reekum R**: Neurobehavioural Study of Borderline Personality Disorder: Canadian Psychiatric Association Annual Meeting, Toronto, Ontario, 1990.

Poster: Atley S, Ballagh S, Cleghorn JM, Fabe A, Franco S, Fodden RJ, Hobbs H, Pardo M, **van Reekum R**: A model of integration of research and service in an out-patient setting. Schizophrenia 1990: Poised for Discovery, Vancouver, British Columbia, 1990.

Presentation: Links PS, **van Reekum R**, Boiago I: Constitutional Factors in Borderline Personality Disorder. American Psychiatric Association, New York, 1990.

5. TEACHING

5. a) COURSES TAUGHT

April 2002 Behavioural Neurology Clinic Day, University of Toronto (regarding management of dementia for residents and fellows)

April 2002	The Brain and Emotions, University of Toronto (for Masters students, Department of Occupational Therapy)
June 2001 - present	Twice yearly “Skills Half-Day” Seminar for University of Toronto Psychiatry Residents in their Geriatric Rotation (regarding cognitive assessment)
Sept. 1996 - present	Organizer and Leader, Clinical Evidence Based Medicine Weekly one-hour Sessions, Department of Psychiatry Baycrest Centre for Geriatric Care
Sept. 1996- present	Twice Yearly Seminars regarding Clinical Epidemiology, Dementia, and Neuropsychiatric Assessments, for Residents of Psychiatry, Baycrest Centre for Geriatric Care
