Understanding Research & Critical Appraisal: The Guido Sarducci Lectures

An education series presented by Dr. David Streiner

Oct. 30 10-11 am	part 1: Research Study Design
Nov. 20 10-11 am	part 2: Studies of treatment effectiveness
Dec. 11, 1-2 pm	part 3: Understanding Bias
Dec. 18, 1:30-2:30 pm	part 4: Making Sense of Risk
Jan. 9, 1:30-2:30 pm	part 5: Meta-Analysis
Jan. 28, 10:00-11:00 am	part 6: Qualitative Studies

At Baycrest in the ABC Classroom

Understanding how to evaluate the research literature is an important skill for anyone working in health care. Join us in this informative and engaging education series.

You will learn:

- The advantages and limitations of different study designs
- Different forms of bias and how bias can affect findings
- How to interpret findings in treatment effectiveness and risk types of studies

Dr. Streiner is the Assistant Vice-President for Research at Baycrest.

For more information about this series, please contact:
Jan Figurski

SHRTN Central Library & Support Services Coordinator
jfigurski@baycrest.org

Open to all Baycrest staff and students. Seating may be limited.

Sponsored by the Seniors Health Research Transfer Network (SHRTN) and Baycrest
SHRTN is funded in part by the Ontario Ministry of Health and Long Term Care
