

## **CURRICULUM VITAE**

### **DAWSON, Deirdre Rose**

#### **EDUCATION, DEGREES**

- 1979            B.Sc. (Rehabilitation), University of British Columbia
- 1993            M.Sc. (Epidemiology), University of Toronto
- 1999            Ph.D. (Psychology, Brain & Behaviour), University of Toronto  
Thesis: "An integrated approach to the investigation of the determinants of recovery after traumatic brain injury." Supervisor: Dr. D.T. Stuss

#### **HONOURS AND AWARDS**

- 1978            Harry Logan Memorial Scholarship (\$1000), University of British Columbia
- 1979            British Columbia Society of Occupational Therapy Book Prize
- 1989-1990     Robert M. King Memorial Award (\$800), University of Toronto
- 1989-1990     University of Toronto Open Fellowship (\$8700)
- 1990            Goldwin Howland Memorial Scholarship (\$1000),  
Canadian Association of Occupational Therapy
- 1995-1996     Roehrer Institute Graduate Student Research Grant (\$7,483) (declined)  
Ontario Graduate Student Scholarship (\$11,859) (declined)
- 1995-1997     Ontario Mental Health Fellowship Award (\$52,000) (declined)
- 1995-1999     Ontario Ministry of Health Fellowship Award (\$107,467)
- 2004            American Congress of Rehabilitation Medicine BI-ISIG Inaugural David Strauss,  
PhD Memorial Award (Best poster in post-acute rehabilitation).
- 2005            Department of Occupational Therapy, Faculty of Medicine, University of Toronto,  
Inaugural Award for Excellence in Research Supervision
- 2005            Department of Occupational Science and Therapy, Faculty of Medicine, University of  
Toronto, Nomination for Award for Excellence in Teaching
- 2006            Department of Occupational Science and Therapy, Faculty of Medicine, University of  
Toronto, Nomination for Award for Excellence in Research Supervision

**RESEARCH AND/OR ACADEMIC EXPERIENCE AND POSITIONS**

- 1987-1993 Lecturer, Department of Occupational Therapy, University of Toronto
- 1990-1996 Research Clinician, Department of Occupational Therapy, Sunnybrook Health Science Centre
- 1993-1995 Assistant Professor, Department of Occupational Therapy, University of Toronto
- 1995-1999 Lecturer, Department of Occupational Therapy, University of Toronto (during tenure as PhD student)
- 1999-present Assistant Professor, Department of Occupational Therapy, University of Toronto
- 2000-present Associate Member, Graduate Department of Rehabilitation Science, University of Toronto
- 2001-present Scientist, Kunin-Lunenfeld Applied Research Unit, Baycrest
- 2002-present Member, Collaborative Program in Neuroscience, University of Toronto
- 2004-present Associate Member, Ontario Heart and Stroke Foundation Centre for Stroke Recovery
- 2006-present Adjunct Scientist, Toronto Rehabilitation Institute, Toronto

**PROFESSIONAL CLINICAL POSITIONS**

- 1979-1981 Staff Physical Therapist, Vancouver General Hospital, Vancouver
- 1981-1982 Staff Occupational Therapist, St. Michael's Hospital, Toronto
- 1982-1984 Supervisor of Occupational Therapy, St. Michael's Hospital, Toronto
- 1985-1986 Staff Occupational Therapist, West Park Hospital, Toronto
- 1986-1988 Clinical Associate & Senior Occupational Therapist, West Park Hospital, Toronto
- 1993-1995 Occupational Therapist, Neuro-Rehab Services, Toronto (part-time)
- 1997-1998 Consultant, Toronto Occupational Therapists & Associates

**ACTIVE PROFESSIONAL AFFILIATIONS**

American Association of Occupational Therapy, American Congress of Rehabilitation Medicine, Canadian Association of Occupational Therapy, Canadian Society of Occupational Scientists, Collaborative Research Program: Rehabilitation and Long-term Care, International Brain Injury Association, International Neuropsychological Society, International Society of Physical Medicine & Rehabilitation, Ontario Brain Injury Association, Ontario College of Occupational Therapists, Ontario Society of Occupational Therapy, World Federation of Occupational Therapy

**ADMINISTRATIVE POSITIONS, COMMITTEES****Community**

1989-92	Member	Canadian Occupational Therapy Association Certification Examination Question Reviewer
1990-93	Invited Representative	Health and Welfare Canada Working Group on Rehabilitation Services for Persons Suffering from Traumatic Head Injuries, Canadian Occupational Therapy Association Representative
1990-95	Member	Canadian Occupational Therapist and Associates Research Review Committee
1990-95	Member	Canadian Occupational Therapy Foundation Research and Scholarship Review Committee
1991-95	Founder & Member	Toronto Area Occupational Therapy Research Support Group
1992-95	Co-ordinator	Ontario Society of Occupational Therapists Research Fund
1993-95	Co-facilitator	Support Group, Head Injury Association of Toronto
2001	Invited Member	Toronto Acquired Brain Injury Network Consensus Panel on Outcomes Measurement
2003	Invited Member	Advisory Committee, Research and Training Centre on Community Integration of Individuals with Traumatic Brain Injury, Mount Sinai School of Medicine, New York, NY
2003	Invited Member	Strategic Planning Task Team on Funding Directions, Ontario Neurotrauma Foundation
2005	Invited Member	Expert Panel – Best Practices in Community Integration Project Principal Investigator: Peter Carlson Funded by Ontario Neurotrauma Foundation
2005-present	Member	Critically Appraised Papers Advisory Group for <i>OT NOW</i> , Publication of the Canadian Association of Occupational Therapists
09/2006	Invited Member	Acquired Brain Injury Knowledge Uptake Strategy Expert Consensus Panel Conference, Toronto, Funded by Ontario Neurotrauma Foundation
12/2006-present	Invited Member	Editorial Review Board, Canadian Journal of Occupational Therapy
01/2007	Invited Member	Acquired Brain Injury Knowledge Uptake Strategy, Evidence-Based Practice Consensus Conference, Toronto, Funded by Ontario Neurotrauma Foundation

**University**

1987-present	Member	Curriculum Review Committee, Department of Occupational Therapy, University of Toronto
1990-95	Member	Management Committee, Occupational Therapy Services, University of Toronto, Sunnybrook Health Science Centre
1992-95	Member	Departmental Environment Committee, Department of Occupational Therapy, University of Toronto
1993-94	Member	Faculty Research and Education Committee, Department of Occupational Therapy, University of Toronto
1993-94	Member	Teaching Awards Committee, Department of Occupational Therapy, University of Toronto
1993-95	Member	Decanal Advisory Committee on Racial and Cultural Issues in Health, University of Toronto, Faculty of Medicine
1994-95	Faculty Co-ordinator	Year III, Department of Occupational Therapy, University of Toronto
1994-95	Member	Board of Examiners, Occupational and Physical Therapy Programs, University of Toronto, Faculty of Medicine
1997-98	Member	Faculty Retreat Planning Committee, Department of Occupational Therapy, University of Toronto
1998-99	Member	Thelma Cardwell Lectureship Planning Committee, Department of Occupational Therapy, University of Toronto
2000-present	Member	Graduate Affairs & Admissions Committee, Graduate Department of Rehabilitation Sciences, University of Toronto

**Kunin-Lunenfeld Applied Research Unit, Baycrest**

2003	Co-Chair	Co-Chair, KLRU Annual Conference Planning Committee
2005	Member	Member, Rotman Research Institute Annual Conference Planning Committee
2007	Co-Chair	Co-Chair, KLRU Annual Conference Planning Committee

**RESEARCH RELATED ACTIVITIES: REVIEWS****Abstract Reviews**

Toronto Acquired Brain Injury Network, Canadian Association of Occupational Therapists, Kunin-Lunenfeld Applied Research Institute, Rotman Research Institute

**Journal Reviews**

Archives of General Psychiatry, Archives of Physical Medicine & Rehabilitation, Brain, Canadian Journal of Occupational Therapy, Canadian Journal of Rehabilitation, Occupational Therapy Journal of Research, Neuropsychological Rehabilitation, Pediatric Rehabilitation

**AD – HOC Reviews- Granting Agencies**

Alzheimer Society of Canada; B. C. Health Care Research Foundation; Canadian Occupational Therapy Foundation; Collaborative Research Program: Rehabilitation and Long-term Care; Ontario Society of Occupational Therapists Research Fund; Social Sciences and Humanities Research Council of Canada.

**Ethics Reviews**

Joint Baycrest Centre/University of Toronto Research Ethics & Scientific Review Committee; Community Occupational Therapists and Associates; Department of Occupational Therapy, University of Toronto; Faculty of Medicine, University of Toronto

**TEACHING: UNIVERSITY OF TORONTO (1986 - Present)**

*(Please note: The Department of Occupational Therapy offered an undergraduate degree up to 2002. Beginning in 2001, the program became a graduate program and now confers a MScOT. )*

**Undergraduate Teaching****Major Responsibility for Design, Co-ordination and Teaching**

1988-1989	OCT510F	Management of Adult Neurological Dysfunction
1986-1991	OCT310A	Neurorehabilitation: Part A
1990-1992	OCT240S	Assessment of Occupational Performance
1991-1996	OCT320Y	Occupational Therapy for Neurological Dysfunction
1993-1996	OCT310H	Assessment of Occupational Performance
1996-2001	OCT240A	Early and Middle Adulthood, Neuro-motor/Neuro-cognitive Subunit
2001-2002	OCT1172Y	Neuro-motor/neuro-cognitive Foundations (responsible for planning and some teaching).
2003-present	OCT1262Y	Enabling Occupation in Adults with Neuro-cognitive / Neuro-motor Impairments (36 hours direct contact time)

**Major Responsibility for Co-ordination and Implementation**

1989-1990	OCT315H	Medical and Surgical Conditions (Neurological)
1991-1992	OCT440Y	In-Depth Studies
1992-1993	OCT489H	Research Selective
1992-1993	OCT440F	Literature Review
1997	OCT200Y	Research Theme

**Primary Supervisor of Senior Undergraduate Research Projects and Major Papers**

1987-88	1 student	1994-95	2 students
1990-91	2 students	1995-96	2 students
1991-92	5 students	1996-97	1 student
1992-93	7 students	1997-98	3 students
1993-94	6 students	1998-99	2 students

Primary Supervisor of MSc Occupational Therapy Research Projects and Major Papers

- 2001-2 3 Students (Karen Hall, Michelle Markowitz, Kellie Radley)  
2002-3 2 Students (Jennifer Firestone, Nichole Williams)  
2003-4 2 Students (Katie Churchill, Jill McPhee)  
2004-5 5 Students (Lauren Groll, Jeanie Kang, Kristen Kee, Eunice Leung, Courtney Samotie)  
2005-6 3 Students (Jennifer Holmes, Jeff Mills, Shira Tenenbaum)  
2006-7 1 Student (Marian Bassilious-Samy)

Primary Supervisor of Graduate Department of Rehabilitation Sciences MSc Theses

- 2006-present Andrew Ryu: The identification and early treatment of mild brain injury:  
Strategies for improved practice in the primary care setting.

Committee Membership for Graduate Department of Rehabilitation Sciences MSc Theses

- Member of 2 MSc committees (Veronica Law, Sharon O'Campo)  
Member, PhD Committee (Hwan Kim)

Completed Theses

- 2006 1 student (Martha McCall) completed MSc in Graduate Department of Rehabilitation Sciences, U o T, served as primary supervisor. Title: A Modified Constraint Induced Movement Therapy Program with the Geriatric Sub Acute Stroke Population  
  
1 student (Dianne Frasca) completed MSc in Graduate Department of Rehabilitation Sciences, U o T, served as committee member, The effects of environmental enrichment on cognitive functioning in the elderly.
- 2005 2 students (Barbara Baptiste, Deborah Seligman) completed MSc in Graduate Department of Rehabilitation Sciences, U o T, served as committee member, Title: Predictors of Case Management Use following Traumatic Brain Injury (BB); Treating heel pain in adults: A randomized clinical trial (DS).
- 2003 1 student (Rachel Devitt) completed MSc in Graduate Department of Rehabilitation Sciences, U o T, served as committee member, Title: The Effect of Ageing on Long Term Outcomes following Traumatic Brain Injury.
- 2003 1 student (Katherine Krpan) completed MA in Department of Psychology, U o T, served as co-supervisor. Title: Executive Function & Coping Following Traumatic Brain Injury

External Examiner on Theses

- 2003 External Examiner for PhD Thesis Defense, Department of Psychology, Queen's University (Lori Ann Blessing)
- 2006 External Examiner for MSc (OT Post-Professional) Thesis Defense, School of Occupational Therapy, Dalhousie University (Rhona Anderson)

## PUBLICATIONS

### PAPERS IN PEER REVIEWED JOURNALS

*\*beside a name indicates author was a student supervised by D. Dawson. \*\*indicates author is an OT in the Dept. of OT at Baycrest.*

15. Dawson, D. R. Occupational Therapy Lunch-n-Learn, Baycrest Centre for Geriatric Care. "Demystifying research". 2001
16. Dawson, D. R. & Feinstein, A. F. Ontario Neurotrauma Foundation, Annual General Meeting Board Luncheon, Toronto. Mild Brain Injury: Challenges in Research & Practice. September, 2002.
17. Dawson, D.R. Toronto Rehabilitation Institute, Researcher's Network. Predictors of real-word outcomes following traumatic brain injury. October, 2002.
18. \*\*Morrow, T., \*\*Burchmore, S., \*\*Colquhoun, H., \*Kang, J., \*\*Dunal, L., & Dawson, D. OTA/PTA Annual Conference, Humber college, Toronto. Handwriting and Parkinson's: The outcome of occupational therapy intervention. June 2005.
19. Dawson, D., Lunch-n-Learn, Stroke & Cognition Clinic, Baycrest, Naturalistic Assessment of Executive Function. June 2006.

#### **MEDIA APPEARANCES / CITATIONS**

1. The integration of care, research and education. Video produced for Baycrest Public Relations Department, June 2002.
2. Clinicians and scientists work together to improve care. Baycrest Bulletin, December 2002, 5.

### GRANTS

1991- 92	<b>D. Dawson</b> , R. Bair-Patel, B. Skulko, & A. Zafrani. Canadian Occupational Therapy Foundation, "Relationship between perceptual impairment and self-care status in the elderly"	\$2,500
1991- 92	<b>D. Dawson</b> . Ontario Society of Occupational Therapy, "Development of ethnographic analyses of interventions for successful community reintegration in persons with mild brain injuries"	\$400
1991- 92	<b>D. Dawson</b> . Ontario Society of Occupational Therapy, "Development of a proposal to validate a power chair driving assessment"	\$600
1992- 94	J. Friedland, <b>D. Dawson</b> , D. Collins. Ontario Mental Health Foundation, "Changes in functional performance in relation to symptoms of post-concussion syndrome and post-traumatic stress disorder following motor vehicle accidents"	\$82,911
1994- 95	A.Colantonio, <b>D. Dawson</b> , & B. McLellan. Easter Seal Foundation. "Quality of life after head injury in young adults: a pilot study"	\$10,000
1994- 95	<b>D. Dawson</b> , L. Letts, & E. Kaiserman. Canadian Occupational Therapy Foundation. "Development of the Community Driving Assessment for power-mobility users"	\$5,000
1998- 99	L. Letts, <b>D. Dawson</b> , I. Bretholz, K. Fisher, J. Gleason, E. Kaiserman-Goldenstein, E. McLellan, & L. Norton. Canadian Occupational Therapy Foundation. "Evaluating the reliability and validity of the Power-mobility Community Driving Assessment (PCDA)"	\$10,000
1998- 2002	D. Stuss, B. Levine, C. Alain, M. P. Alexander, S. Black, M. Cusimano, F.I.M. Craik, <b>D. Dawson</b> , M. Freedman, C. Grady, L. Jacoby, R. McIntosh, M. Moscovitch, T. Picton, G. Proulx, I. H. Robertson, M. Schwartz, & G. Winocur. McDonnell Foundation. "Rehabilitation of executive dysfunction following focal lesions, traumatic brain injury and aging".	US\$600,000
2001- 02	<b>D.R. Dawson</b> , A. Feinstein, D.T. Stuss, D. Streiner, P. Warkentin, & D. Racine. Ontario Neurotrauma Foundation. "The identification and early treatment of mild brain injury: Strategies for improved practice in the primary care setting."	\$120,000
2001- 04	<b>D. R. Dawson</b> , D. T. Stuss, G. Winocur, M. L. Schwartz. Ontario Neurotrauma Foundation. "The investigation of psychological predictors of functional outcome following TBI: A prospective study.	\$209,780
2002- 08	D. T. Stuss (PI) & multiple co-investigators including <b>D.R. Dawson</b> . McDonnell Foundation. "McDonnell 21 <sup>st</sup> Century Collaborative Activity Award: Brain	US \$2,000,000

recovery: Return of cognitive and social function”. Role: PI on Multiple Errands Test Validation and clinical utility studies; Co-designer of psychosocial intervention to improve real-world outcomes in persons with white-matter disease.

2002-03	**Faibish, S., Calabrese, S. & Dawson, D.R. Collaborative Research Program: Rehabilitation & Long-Term Care in partnership with Canadian Nurses Foundation-Nursing Care Partnership Fund. “Non-pharmacological strategies currently used by caregivers of clients with fronto-temporal dementia”.	\$5,000
2003-04	**Seligman, D., Davis, A., Dawson, D. R., & Streiner, D. Collaborative Research Program: Rehabilitation & Long-Term. “A Comparative Study in Treating Heel Pain in Adults: Hard vs. Modified Soft Custom Orthotics and Heel Pads”.	\$7,244
2004-06	Marziali, E., Dawson, D., McCleary, & Streiner, D. Bell University Laboratories at the University of Toronto. “Internet-Based Primary Health Care for Family Caregivers and Care Recipients with Chronic Long Term Illnesses.”	\$130,000
2004-09	Dawson, D. R., Polatajko, H., & Levine, B. Dean’s Fund, New Staff Grant, Faculty of Medicine, University of Toronto. “Rehabilitation in the real world for executive dysfunction following traumatic brain injury.”	\$10,000
2006-07	Dawson, D. R., Polatajko, H., Lemsy, C., Levine, B. & Streiner, D. Ontario Neurotrauma Foundation. “A real-world intervention for improving quality of life for adults with executive dysfunction following traumatic brain injury.”	\$75,000
2007-8	Dawson, D.R., Anderson, A., Brooks, D., Bayley, M., Bridges, L., Kumpf, J., & Marziali, E. Ontario Neurotrauma Foundation. “Partners in Fitness: A pilot program to enhance community integration in adults with brain injury”.	\$75,000
2007-8	Kirsh, B., Cameron, D., Cameron, J., Campbell, K., Dawson, D., Duncan, A., Mihailidis, A., Rappolt, S., Reid, D., Rigby, P., & Rappolt, S. Department of Occupational Science & Occupational Therapy, University of Toronto (internal grant). “Innovative Approaches to Enhancing Participation for Persons with Disabilities over the Lifespan”.	\$50,000
2007	Dawson, D. Neurotrauma Summer Student Exchange Program, Ontario Neurotrauma Foundation & REPAR, Post-doctoral Fellowship Grant, “Role of occupational therapists in enabling participation in valued activities and roles for adults following ABI.”	\$12,000
2007	Dawson, D. Neurotrauma Summer Student Exchange Program, Ontario Neurotrauma Foundation & REPAR, Doctoral Fellowship Grant. “A systematic review of the ABI rehabilitation literature addressing psychosocial factors and the effects of interventions on real-world outcomes.”	\$9,000

#### OTHER FUNDING (all to D. Dawson)

1992-93	Research Assistant (RA) funded by the Ministry of Colleges and Universities, Ontario Work Study Program (OWSP)	\$1920
---------	--	--------

1994	RA funded through the Sunnybrook Summer Student Program	\$1500
1994-95	Two RAs funded by the Ministry of Colleges and Universities, OWSP	\$3840
1998-99	RA funding to B. Kirsch, & D. Dawson. RA (L. Reynolds) by the Ministry of Colleges and Universities, OWSP	\$1750
1998-99	RA (W. Fox) funded by the Ministry of Colleges and Universities, OWSP	\$1750
2002-03	RA (S. Jackson) funded by the Ministry of Colleges and Universities, OWSP	\$1796
2003-04	RAs (K. Golding, T. Nguyen) funded by the Ministry of Colleges and Universities, OWSP	\$3592
2004-05	RAs (A. Hatvani, T. Kosciak, S. Mack) funded by the Ministry of Colleges and Universities, OWSP	\$5388
2005-06	RA (K. Menezes) funded by the Ministry of Colleges and Universities, OWSP	\$1796
2006-07	RA (K. Lau) funded by the Ministry of Colleges and Universities, OWSP	\$1796
